

COFFEE PODS

ROMBOUTS COFFEE PODS

With Rombouts coffee pods you can serve the perfect coffee quickly, simply at the touch of a button. Premium quality coffee is roast, ground and pre-dosed in natural filter paper, then individually vacuum-sealed to preserve all the qualities and flavours of these exceptional coffees.

CODE	PRODUCT	STRENGTH
000535	Grande Reserve Coffee Pods - (12 x 16 Pods) A great coffee, blended from 8 of the finest arabicas from around the world.	
000538	Decaffeinated Coffee Pods - (12 x 16 Pods) A supremely smooth pure arabica coffee with less than 0.1% caffeine.	
000539	Ethiopia Coffee Pods - (12 x 16 Pods) A fruity coffee from Ethiopia with just a hint of apricot. All the flavour of the original bean.	
000545	Colombian Coffee Pods - (12 x 16 Pods) Coffee beans from the mountain plateaux. A smooth coffee with a caramel flavour and a light and round body.	
000546	Brazil Coffee Pods - (12 x 16 Pods) The best coffee in Brazil. A mild coffee with a nutty flavour and a lingering finish.	
000847	Ristretto Coffee Pods - (12 x 16 Pods) The genuine Italian espresso taste: concentrated and strong. Traditionally roasted in the Italian style, a robust coffee with an intense flavour.	

PRODUCTS SPECIFICATIONS
