

WHOLE BEANS

WHOLE ROASTED COFFEE BEANS

All our beans are slow roasted in the traditional way for up to 18 minutes, as we believe it helps develop a better, more rounded flavour.

We have a variety of beans to suits all uses; from traditional espresso machines to grind and serve filter machines.

CODE	PRODUCT	STRENGTH
000091	Supremo Estate Coffee Beans 6 x 1KG Our best selling espresso blend. Refined full-bodied flavour, slightly fruity with a subtle sweet spot. Blended for the UK coffee drinker, a great espresso but with enough depth to work well in cappuccinos and lattes.	
000296	Tradicion Fairtrade Coffee Beans 6 x 1KG A blend of Mexican and Guatemalan Fairtrade 100% arabica beans. This produces a rich and creamy espresso, pleasantly acidic with hints of citrus. An ideal espresso blend.	
000074	Brazilian Santos Coffee Beans 6 x 1KG Brazilian Santos is a mild 100% arabica coffee with low acidity and great body. Notes of toasted nuts and cocoa dominate the cup. Great as an espresso but even better as a cappuccino.	
000121	Italian Crema (Roodmerk) Coffee Beans 6 x 1KG This medium dark-roasted coffee has been blended specifically for its traditional Italian espresso flavour and produces an excellent crema. It works particularly well in traditional milk based drinks like cappuccinos and lattes.	
000077	Colombian Beans Coffee 6 x 1KG Premium, single origin 100% arabica coffee. A smooth coffee with a caramel flavour and a light and round body. Perfect for espresso or bean to cup machines.	

PRODUCTS SPECIFICATIONS

Packed in 1kg foil bags with one-way valves for freshness.

Best before date of 12 months from roasting.

CODE	PRODUCT	STRENGTH
000097	Cachet D'Or Delicate Coffee Beans 6 x 1KG A bright and refreshing 100% arabica Fairtrade coffee with a light body. The citrus overtones point to their Mexican roots; these wet processed arabica beans are from the UCIRI cooperative in Mexico's Sierra Juárez mountain range. These are ideal for grind and serve filter coffee systems.	
000083	Original Blend Coffee Beans 6 x 1KG Rombouts Original blend contains a smooth, aromatic blend of some of the finest arabica coffees from South and Central America. An excellent bean for espresso and bean to cup machines.	
005212	Espresso Royal Coffee Beans 6 x 1KG A blend of the finest Arabicas from Brazil and Central America. This 100% arabica blend is mellow and full bodied with a delicate aroma.	
000541	Decaffeinated Coffee Beans 6 x 1KG All the flavour of our Original blend but with less than 0.1% caffeine.	
000540	Grande Reserve Coffee Beans 3KG Tin A blend of 8 premium quality 100% arabicas, light to medium roast to produce a well balanced slightly acidic cup. Vacuum sealed in a pressurized 3KG tin.
